

The Extension of NY3P SOP8 Transfer Board

Description: Extend NY3P SOP8 Transfer Board to support NY9TP16AS8 package.

Reason: In order to support NY9TP16AS8 package, NY3P SOP8 Transfer Board has to be modified for accommodating programming demands.

Solution: Please follow the steps below to modify:

Use NY3P SOP8 Transfer Board (Ver.A) 2010/3/18 as the picture below:

Flip over the board and short-circuit SOP Socket Pin-1 and Pin-4 as the picture below:
